

GROUP & FUNCTION BOOKINGS

General

Thank you for considering the Harbour Rock Restaurant to host your planned function.

Harbour Rock Restaurant is open Monday to Sunday for lunch and dinner, with breakfast being served over the weekend.

We have seating space for 140 guests, while the sushi bar area may be booked separately for gatherings for up to 30 people.

Harbour Rock Restaurant is entirely non-smoking; we however do have tables outside on our deck for people wishing to smoke.

Group booking options

Exclusive use of restaurant

As a rule we do not charge a venue hire fee for exclusive use of the restaurant, provided that a certain minimum spend is incurred by your party. With Hermanus being a seasonal town, we reserve the right not to accept large bookings over the extremely busy times, such as Christmas, Easter weekend and Whale Festival.

From November 1, 2010 to May 31, 2011 the minimum spend required for a lunch or dinner is:

R35 000 on Monday to Thursday

R40 000 on Friday & Saturday

All food and beverage items will be rung up on a single bill, which will be presented for payment at the end of the function. Should the agreed minimum spend not have been reached at the end of the function, the difference between the actual spend and the agreed minimum spend would be charged to your bill as a venue hire fee.

Non-exclusive use of restaurant

Another option, for groups up to a maximum of 80 people, is a non-exclusive booking for the restaurant. Such a group would have to share the restaurant's facilities with other diners - members of the group would therefore not be at liberty to make speeches, have presentations or present prizes.

The set menu price for such a non-exclusive booking may differ from those attached and would have to be confirmed in each case.

Cuisine

As our menu changes frequently, we have listed some examples of dishes, which typically may feature on the menu.

For larger groups we recommend a special chef's set menu, which may be tailored according to specific dietary or religious considerations or allergies. The specific dishes are finalised closer to the intended date of the function, as it depends on the seasonal produce available at that time.

Please note that although Harbour Rock Restaurant does not serve Kosher or Halaal food, we can order Kosher or Halaal meals from outside caterers for members of groups having a function at Harbour Rock Restaurant. It is also possible, to a certain extent, to

avoid ingredients to make dishes on our menu Kosher or Halaal "friendly". We however stress that such dishes have not been blessed by the relevant religious authorities.

Set menu pricing

Standard set menu pricing for starter, main & dessert:

R150 per person - 2 starter, 2 main and 2 dessert options

R200 per person - 3 starter, 3 main and 3 dessert options

A supplement per person may be charged if certain ingredients, such as crayfish, are requested. Please note that these menus are a guideline only and might be altered due to the chef's requirements. Menus will be confirmed before your function.
